LWV Opens Season with Membership Brunch

The Cohasset League of Women Voters begins its activities for the year with its annual fall membership brunch, Thursday, Sept. 13 at 9:30 a.m. at the Unitarian Parish House.

A guest speaker from the Massachusetts Office of Energy Resources will address the group. This office is providing energy training procedures for city and town officials interested in learning

about energy conservation. It operates under the National Energy Conservation Act in administering energy conservation money for Massachusetts cities and towns. Five million dollars will be spent to

run statewide energy training sessions and to grant communities money to make their schools more energy conscious.

The public is cordially invited to attend this function. Reservations are required. Please contact Mrs. Doris McNulty, 383-1886, by Sept. 10 if you wish to attend. Babysitting will be provided, but reservations are necessary, as the number that can be accommodated is limited.

The League, a non-partisan

citizen's group, is a political organization which takes action on governmental issues in the public interest. Its purpose is to foster education in citizenship and to support improved legislation. The league may take action on governmental measures and policies in the public interest. It does not support or oppose any political party or any candidate. The Cohasset League meets monthly at the Unitarian Parish House. All meetings are open to the public.

Twin-Triplet Moms in Kickoff

The South Shore Mothers of Twins and Triplets Club will begin its 1979-80 season at 8 p.m. Monday, September 10, at the Eagles Hall in East Weymouth, where meetings will continue on the second Monday of each month. Mrs. Diane McStravick of Hanson, president, will preside.

Prospective new, active or inactive members are invited to attend.

"Consumer Protection" will be the topic of discussion for the September meeting, with Linda McCormack of the Massachusetts Attorney General's office discussing what consumers can do about "rip-offs".

Convention highlights will also be a topic of discussion.

The South Shore Mothers of Twins and Triplets Club is just one of more than two hundred clubs which comprise the National Organization of Mothers of Twins Clubs, Inc. The more than 9,000 members of the national organization have a common goal in broadening the understanding of those aspects of child development and rearing especially related to twins, as well as to cooperate and participate in projects conducted by doctors and

other researchers in medical and psychological research with twins and/or siblings.

The club also provides a

social setting for mothers where they can discuss problems and accomplishments and gain support.
